Fall Greetings Parents!

Our events for this fall proved to be a little soggy but still fun! The Firemen visited us this year on a rainy day and reminded us to “get out and stay out” and even though it rained we still had the opportunity to see the trucks!

The hayride and pumpkin patch was a wash out also, but the children still enjoyed picking out their pumpkin in our “pumpkin patch” downstairs and enjoyed doughnuts and apple cider.

Friendly Parent reminders!!

H1N1– We have had our share of the virus along with other illnesses so we are asking that parents take extra precaution when sending their children back to school. For the H1N1, CDC website says for childcare facilities children need to stay home till they are free from all symptoms.

Extra Clothes—We need every child to bring an extra set of clothes! Already there has been spotting of “nakey” children leaving the school!

PARKING PROBLEMS! Please do not park in the handicap spaces reserved for cars with tags. Also do not park (even for a short time) outside spaces along the curb. Cars cannot get through and causes back-ups! Thank you for your cooperation!
