Friendly Parent reminders!!

Runny Noses—please keep at home if noses are yucky especially in the younger classes! They tend to get on the fingers and toys!

Extra Clothes—we need every child to bring an extra set of clothes! We will be sending them home naked if not!

Potty training—if your child is potty training and cannot tell us that he or she needs to go, we need them to be in pull ups for health issues and cleanliness.

Baby Wipes—once again, we are out and would be willing to take any off your hands if you have extras!
